

# OUTREACH

To The Superannuated Teachers  
of Saskatchewan

## President's Report – November 24th Executive Meeting

### Horst Sawatzki

Signed, sealed and delivered are three words to describe the outcome of our executive meeting. It is with great pleasure and enthusiasm that we can announce: we have signed a **new** Financial Agreement between Saskatchewan Blue Cross and Superannuated Teachers of Saskatchewan – Extended Health and Dental Plan. The highlights of the new contract include:

1. No increase in fees to you, subscribers of the plan. That is 9 years at the same rates. What plan can meet that!
2. Supplementary items to the plan
3. Increased coverage added for existing dental and vision care
4. Decreased claims administration cost to STS

The detailed changes to the plan may be found in the Benefit Committee's Report and/or in executive liaison reports with your chapter.

Under **sealed and delivered** I draw your attention to the audited Financial Statement for the period July 1, 2004 to June 30, 2005. It is great to see the financial summaries in black ink.

A big thank you goes to Steve Harasymuk for his considerate

attention to the financial affairs of the organization over the last 4-5 years and for the completion of this financial statement.

Chapter Presidents received this final report at our first meeting between the STS Executive and Chapter Presidents on November 24th. This historic meeting was attended by 36 presidents who faced rain, snow, sleet, and ice as they made their way to Saskatoon. Thank you for your commitment to the affairs of STS.

I believe we reached some common ground on ways to strengthen the contact between the STS Executive and STS Chapters. Establishing and completing **e-mail** links will give us immediate contact to deal with urgent developments that may challenge or enhance the welfare of superannuates.

We cannot get new Superannuates to join and we cannot get the **young** Superannuates to take hold of the business of the chapter, and 'what does one do' were common denominators at all the tables. Maybe your meeting summary will provide some hints on how to get that reluctant individual to say 'yes' for a change. The tabulation of results is not complete at this time. They will be shared with you at a later date.

**Memberships moved from 3500 to 7645 in 5 years. We are doing some-**

**thing right. Keep up your efforts.**

Your Executive agreed in principle to explore and participate in a joint over-seas project proposed by STF, CTF, GNAT [Ghana] and other provincial teacher associations/partners. Watch for more information in the BULLETIN and OUTREACH as this project is fleshed out in the next few months.

Congratulations to a special colleague of ours – Doreen Lloyd, recipient of **The 2005 McDowell Foundation Award**. See the special tribute to Doreen in this issue.

Congratulations to the Moosomin Chapter for hosting the 2005 STS Provincial Curling. Ed and Maxine did their best to become champions for 2005. Their shot making and sweeping were no match for the Asmundson Rink (Wishart/Fishing Lake Chapter) the 2005 Provincial Champions. I swept the ceremonial first rock and then practiced my leaning on the broom. Curling is not my cup of tea. Now badminton is another story.

Do take time to read the rest of the committee reports. They present an accurate picture of your executive in action.

Have a safe and joyous holiday season!

## New Contract Signed!

The negotiation team, comprised of President Horst, Vice President Siegrid, Executive Secretary Fred and myself, as Chair of the Benefits Committee, met with representatives of Saskatchewan Blue Cross on Tuesday, November 25, 2005 to finalize a tentative three year agreement. The agreement was approved by the Benefits Committee on Wednesday morning, and given final approval by the Executive on Wednesday evening. Highlights are as follows:

- Term – February 1, 2006 to January 31, 2009.
- There will be **no increase in premiums** during the term of the agreement.
- There have been many requests for help from those afflicted with Sleep Apnea. The Plan will now cover 75% of the costs for CPAP (continuous positive airway pressure) **accessories** (including masks and tubing) when prescribed by a physician. This does not include the cost of the machine (which can be borrowed from the government) or the cost of the humidifier.
- Maximum coverage for glasses/contact lenses increases from \$75 to \$100 every two years.
- Maximum coverage for eye examinations increases from \$50 to \$75 every two years.
- New lenses required following surgery will be covered to a lifetime maximum of \$100 after existing plan maximums have been reached.
- Lenses prescribed for severe corneal astigmatism or scarring, Keratocanus or Aphakia to correct vision to at least 20/40 are payable to an additional maximum of \$100.
- Refraction Exam Post Surgery has been added to a maximum of \$75 per person per year.

- The Plan will continue to use the Saskatchewan Fee Guide when evaluating all claims.
- The Plan will continue to use the Saskatchewan Formulary, including those drugs on Exceptional Drug Status.
- Coverage for Minor Dental at 75% co-insurance and for major Dental at 50% co-insurance will each increase to \$1000 per year, up from maximums of \$750.
- Implants will now be covered under Major Dental Coverage as above.

We are very pleased with the excellent service and support we receive from Saskatchewan Blue Cross and are pleased to be entering into this new three year agreement.

### NOTE:

1. A **Drug Reimbursement Card** will be available, for all Plan participants, on a trial basis for the period from **April 1, 2006 to June 30, 2007**. The effectiveness of the system and

the cost to the Plan will be evaluated at the end of that period. It should be noted that under this plan participants will still pay the full amount to the pharmacy. The Pharmacy, if it elects to participate in the plan, will submit your claim electronically to Blue Cross and your reimbursement from Blue Cross will come without any further action on your part. You will not need a new card as your regular Blue Cross card will serve for identification.

2. Also effective on April 1, 2006, Electronic Reimbursement for Dental Claims will be available **to out of province participants as well** as for those in Saskatchewan.

3. You can arrange to have Blue Cross send your payments by electronic transfer to your bank account. This would decrease the turn around time for payment and also be cost effective for the Plan. Contact Blue Cross for the appropriate forms.

## TSC Report -Sept/05

### Fred Herron

At the 2005 AGM I reported that the Teachers' Superannuation Commission has been examining various alternatives for the administration of the Teachers' Superannuation Plan, the Teachers' Group Life Insurance Plan and the Teachers' Dental Plan. Those alternatives included leaving the administration with the Teachers' Superannuation Commission, transferring the administration to the Saskatchewan Teachers' Federation, outsourcing those services to a private administration firm, or transferring the administration to the Public Employee Benefits Administration.

**The Government of Saskatchewan has decided to leave the administration of the Teachers' Superannuation Plan with the Teachers' Superannuation Commission.** This was one of the alternative supported by the STS Executive even though it may only be a short-term solution.

The STS Executive supported this alternative based on historic exemplary levels of service to superannuated teachers and to STS. We hope these high levels of service will continue to be the focus of the future operations of the Teachers' Superannuation Commission.

# 33rd Annual General Meeting of the STS

## Tuesday, May 9 - Thursday, May 11, 2006

### Travelodge Hotel in Saskatoon

#### CHAPTER PRESIDENTS:

You will be receiving a package of information early in February.

Please send your list of delegates to the STS office shortly after receiving the information. The Executive has calculated that the attendance formula for this year will allow each Chapter to send two delegates for the first 45 paid up members or portion thereof, and one additional delegate for each additional 45 paid up members or portion thereof.

For the delegates attending the AGM, the STS pays for two nights accommodation, two luncheons and banquet. This year we are also including a full breakfast for delegates on Wednesday and Thursday. When delegates

receive their package we will be requesting that you return a form to inform us if you wish to partake of the breakfasts. This is necessary for the AGM Planning Committee and the catering service of the hotel.

We have wonderful entertainment booked for Tuesday evening: HENRY LOISELLE, THE SINGING FARMER from ABERDEEN and MARTIN JANOVSKY.

We will be offering five interest sessions again this year.

#### WE ARE PLANNING A GREAT ANNUAL GENERAL MEETING

PLEASE PLAN TO ATTEND

Co-chairs - Shirley Dyck and Darlene McCullough

## Resolutions Committee Report - Siegrid Schergel

On the STS Resolutions Committee for 2005-06 are Ernie Epp, Fred Herron, Jim Sego, Peter Wiebe, Horst Sawatzki (ex-officio) and Siegrid Schergel, as Chair. We discussed the feedback from AGM delegates regarding the format and handling of resolutions at the AGM and were very gratified that almost all the comments were very positive. Therefore, we do not anticipate any substantive changes to how resolutions are presented to the membership for discussion and consideration at the AGM. Our thanks to everyone who took the time to respond to that section of the AGM evaluation.

The committee then discussed the disposition of the resolutions passed in May. The resolutions directed to the STS—the amendment to the membership bylaw, the establishment and mandate of the Support Services Committee, the investigation of the Drug Plan formulary, plus the “housekeeping” issues—have been incorporated in our policy handbook and/or directed to the appropriate committees for action. Revised editions of the Handbook have been distributed to all chapter presidents and are available from the STS Office.

Resolutions directed to the STF, ACER/CART, and the provincial

government have been forwarded to them. I plan to use this column in upcoming issues of *OUTREACH* to share their responses with you.

At the Executive Strategic Planning Session in September a number of goals were identified, one of which was Lobbying and Advocacy. Therefore, it is not too early to be thinking about emerging issues or areas on which you would like to see the STS advocate. The criteria and format for resolutions are outlined in the Handbook.

# Retirement Lifestyle Planning

Bert Gordon

The Lifestyle Planning Committee met at the STF office on Friday, October 28, with the following members present: Bert Gordon (chairperson), Shirley Dyck, Shirley Henderson, Bob Krismer, Dianne McLeod, Dona O'Callaghan, George Georget (STF Liaison). Regrets: Doreen Lloyd, Boyd Taylor.

In addition to completing arrangements for the session to be held the next day we did some forward planning for Lifestyles. There were two primary issues. The first was to determine ways to reach teachers to let them know about the program and to determine the level of interest. George is going to discuss this issue with STF Staff. The second was to organize our teams so that

we could respond to requests effectively without having to have presenters travel for long distances.

On Saturday October 29, 2005, a joint STS – STF Lifestyle Seminar was held for approximately 130 people. Evaluations were generally very good, but there are some who would prefer to concentrate only on the financial topics.

The 2005 National Conference of the Canadian Association of Pre-Retirement Planners (CAPP) was held in Saskatoon September 29 – October 1, 2005. Many interesting and useful presentations were available. Dona O'Callaghan, Shirley Dyck and Bert Gordon attended the Conference as representatives of the STS.

## Ghana Project

The Superannuated Teachers of Saskatchewan Executive has approved in principle a partnership arrangement with the Saskatchewan Teachers' Federation to develop a renewed three year plan to support the Ghanain National Association of Teachers (GNAT). The project is a partnership among GNAT/CTF/STF/NSTU directed to responding to the needs of teachers in Ghana. The project will focus on initiatives to assist teachers improve their teaching skills and to assist with the improvement in the quality of education in Ghana.

The role of STS will be to provide human resources to support the project. There are no financial implications for STS.

### Approaching Age 60?

You may apply to receive your Canada Pension Plan Benefits. There is a reduction of 0.5 % per month for each month under age 65.

### Approaching Age 65?

Old Age Security and Canada Pension Plans do not come automatically; you must apply to Human Resources Development Canada. Age 65 is the normal time to receive them.

At age 65 your Superannuation will be integrated with the Canada Pension Plan, regardless of when you apply for CPP. Your Superannuation will be reduced by an amount approximately equal to the amount you would receive from CPP if it were taken at age 65.

If you took the Upward Adjustment when you retired, then at age 65 your Superannuation will be reduced by an amount approximately equal to the value of your OAS pension.

At age 65 your coverage under Group Insurance drops to \$14,600.

If you have Portaplan Insurance, additional units may be purchased before age 65.

### Approaching Age 69?

Did you, or will you, reach age 69 this year? If so, your RRSP's must be closed out by the end of the year.

## McDowell Foundation - Ernie Epp (Substituting for Doreen Lloyd)

The "Learning from Practice" Conference was held at the Travelodge, Saskatoon, November 18-19, 2005. Approximately 160 were registered for this exchange of Teacher Knowledge and Research. Dave Derksen, newly appointed head of Teacher Development with the Saskatoon Public Board of Education provided the keynote address in which he stressed that

more focus on "the level of teacher wellness" needs to occur. Twenty completed research presentations were scheduled.

The 2005 McDowell Foundation Award for Contributions to Educational Research was awarded to Doreen Lloyd. Doreen's contributions to Educational Research and to education at large have been enor-

mous. In her absence, Lyle Vinnish presented the award to Doreen's son who expressed warm appreciation on behalf of his mother.

Total funding for McDowell Research Projects now is nearing \$700,000. The impact on the quality of education in schools and on teacher training programs is most noticeable.

## Support Service Report - Ernie Epp

Much work has been done on preparing an "Access to Information on Programs and Services for Seniors in Saskatchewan". Dalton Tamney has continued as our Resource Person for this project and his work shows great diligence and competence. We have developed our own database with a view toward relevancy and accessibility. A constant focus is to make it as user

friendly as possible. It is projected to be available on the STS website by spring of 2006. STS and the STF, are working closely together to create a website that is friendly and efficient. A caution is being exercised in that STS can in no way attest to the quality of the services being listed. A legal opinion on inclusion of a disclaimer is being asked for to avoid potential liability. Since access to

support services cannot be limited to computer use, staffing implications need to be considered so that personnel will be available should members wish to call for assistance. Much communication with the membership is planned and it is anticipated that every issue of *Outreach* will carry support services information.

## Councillors' Report - Margaret Martin

On Friday and Saturday, Oct 14 and 15, our 8 councillors, Wally Derkach, Shirley Dyck, Mike Kaminski, Margaret Martin, Horst Sawatzki, Jim Segó, as well as, Bert Gordon and Peter Wiebe substituting for Doreen Lloyd and Siegrid Schergel, met for a Councillor Conference and a Special Meeting of Council (Fall Council) at the Saskatoon Inn.

The Conference began with a presentation by Sigma Analytics which had conducted a Bargaining Process Review. The survey pointed out that the current provincial bargaining agreement is generally unpopular with teachers and that the communication within the STF is most often peer to peer and locally oriented.

Next we had a Governance Review Update noting the timelines for the new Legislation and Bylaws — Spring, 2006, and the implications

for restructuring on school division size — new school divisions effective January 1, 2006; 31 local bodies of teachers; changes in the number and distribution of councillors.

This was followed by an update on the BC teachers' strike as of October 7, 2005. The Canadian Teachers' Federation is in support of the BCTF. On Monday, October 17/05, there was a rally in support of the teachers in front of the BC Legislative Buildings. STF President, Heather Vermeersch, was in attendance.

We continued with an overview and discussion on STF Policy Development and Review: Purposes, Challenges and Principles. We also noted 3 policies to be brought forward as resolutions and voted upon Oct.15, namely: Education Funding, Effective Working Relationships with Non

Teaching Personnel in Schools, and Teacher Transfer.

Day 1 concluded with a reception and dinner to which MLA's, MP's and Councillors were invited.

At the Special meeting of Council on October 15, sixteen resolutions were discussed and voted upon. All three policies noted above were passed. There were 8 resolutions proposing amendments to the Teacher Transfer Policy — 7 were passed. There was also a resolution that effective January 1, 2006, the STF Statement of Policy and Bylaws amended with the list of the 31 new local bodies. The Superannuated Teachers of Saskatchewan are number 31. Lengthy discussions around resolutions dealing with the Provincial Collective Bargaining also took place.

# Doreen Lloyd

Doreen Lloyd has been an unstinting contributor to the McDowell Foundation since its inception. When the Foundation was created in

1991, Doreen was a newly retired teacher with enormous energy and a strong inclination to maintain her involvement with the teaching profession. Fortunately for the Foundation, she chose to invest part of her warmth, good sense, and enthusiasm in the new organization that had just been created to support professional research and inquiry by teachers.

Doreen began teaching in 1951 after graduating from the Saskatoon Normal School. Returning to her birth place, Prince Albert, she taught all grade levels in three school divisions. Among her favourite assignments were those at the junior high level where, as she once put it, "you never have time to think about getting old". She spent twenty-four years teaching Grade 9 English and Home Economics.

Her teaching was complemented by extensive work with and for other teachers. Doreen was active in the Prince Albert Teachers' Association, serving at one time or another as president, vice-president, staff rep, and chair of every local committee. She also served provincially as an STF councillor, a member on various STF committees, and an executive member of the Saskatchewan Middle Years Association. For her exemplary service to the professional organization of teachers, Doreen has been awarded honorary life membership in both the Saskatchewan Teachers' Federation and the Prince Albert and Area Teachers' Association.

Her active professional life did not diminish upon her retirement in 1990. She became an active member of the Prince Albert chapter of the Superannuated Teachers of Saskatchewan. She also continued to serve at the provincial level, representing superannuated teachers as an STF councillor or vice-councillor for ten years. She has been a member of the STS executive since 1991, she has held office as president and vice-president, and she has chaired or co-chaired STS committees responsible for conference planning or the constitution and resolutions.

When the McDowell Foundation was created, Doreen quickly became part of the fund-raising work needed to establish a sound financial and organizational base for the fledgling organization. She teamed with Bert Gordon as the co-chairs of the Superannuates' Track of the Teaching for Tomorrow campaign. For more than two years, she and Bert visited many, if not most, chapters of the Superannuated Teachers of Saskatchewan (STS), explaining the Foundation and soliciting their financial support. Her professional credibility and her enthusiasm were major factors in building the solid base of support that the Foundation has enjoyed among the superannuated teachers of this province.

As an active member of the STS, Doreen also helped to forge valuable connections between the

Foundation and the provincial organization representing superannuated teachers. She became the STS appointee to the McDowell Foundation Board of Directors in 1991 and is the longest serving board member to date. In her capacity as director, she has kept superannuates informed about the Foundation and found numerous opportunities to include the Foundation in STS events. The Foundation regularly brings greetings to the STS convention and its research projects have been featured as sessions at the convention. The value to the Foundation of maintaining a strong connection with superannuated teachers, which Doreen has fostered and promoted, cannot be overestimated.

In her volunteer work on behalf of the Foundation, Doreen has typified the importance of collaborative relationships and a sense of community in both education and research. She represents the "supporter" of research, the invaluable person who appreciates the research interests of a wide range of colleagues and willingly gives time, energy and approbation to their professional efforts to improve teaching and learning. Through her longstanding, unselfish work on behalf of teachers and the McDowell Foundation, she has made an outstanding contribution to educational research that has earned her the McDowell Foundation Award for 2005.

## ***RespectED Program***

Norm Jakubowski, a retired teacher working for the Red Cross, is inviting volunteers to be trained to deliver RespectED Programs in schools. If interested, contact him at [Jakubowski@redcross.ca](mailto:Jakubowski@redcross.ca) or phone 721-1611.

# Congratulations to:

Linda Dubois of the Rosetown STS Chapter, recipient of the Chapter's Award of Merit, for writing and producing "Rosetown Rewound".

**Zetta Persson** (Fanset) was honoured by the Potashville Chapter on her 100th birthday.

Zetta Fanset was born on October 16, 1905. She married Bill Persson in 1929, raised a son and daughter and a stepson, had an illustrious career as a school teacher and painter, earned her Bachelor of Education degree at the age of 61 and co-authored the Stockholm history book "Three Score and Ten." As a teacher, Zetta earned the respect of both students and parents by being strict, yet kind. She is truly a woman of candor, conviction, and grace with a grand personality and remarkable strength of character--indeed a model for other teachers. Zetta presently resides in the Esterhazy Centennial Special Care Home, still enjoys reasonably good health and is very interesting to chat with. She attended the windup of the Potashville Education Association in Esterhazy on November 12th as one of the honoured guests.

**Elaine Kowpak, Beth Robertson and Roger Martin** of the Rosetown Chapter, recipients of the Saskatchewan Centennial Medal.

**Sylvia Birnie**, who was presented the Saskatchewan Centennial Medal by Her Honour, the Lieutenant- Governor, Lynda Haverstock.

## Pick and Choose:

1. University of Sask. Extension Division Clubsee Tours:

**Athabasca Sand Dunes Camp** – June 19-26, 2006

Fond du lac Guide, Willie Olson, and Adult Educator and Naturalist, Peter Jonker, will guide you on breath-taking hikes in this truly unique and astonishingly beautiful ecosystem in

Saskatchewan's largest wilderness park.

Fee: \$1,990 ( includes travel from Saskatoon, instruction, resource book) \$200 secures your place; full payment due May 1.

Phone: 306-966-5484 or website [www.extension.usask.ca/go/clubsee](http://www.extension.usask.ca/go/clubsee)

2. Nature Sask Spring Meet – Prince Albert, June 16,17,18, 2006. Details in the New Year.

# STS Activities Report

Ed Magis, Audry Blais, Calvin Bachmeier

## STS Provincial Curling Spiel November 16-17, 2005

**Host:** Moosomin Chapter "Donwell" ( this is not a misspelling! Ask Ed what it means.) 16 rinks participated

### Provincial Championship (the G.T. Anderson Trophy)

L to R: Lyle Severson, Nick Asmundson, Walter Popenia, Marjorie Popenia (Wishart/Fishing Lake), Connie Asmundson, Ed Magis, Horst Sawatski

### B Event Winners (the Assiniboine Chapter Trophy)

Ken Johnson, Walter Gorkoff, Vern Keil, Ralph May(Esterhazy)

### C Event Winners (the STS Trophy)

Dan Dayday, Gerry Dayday, Sharon Meyers, Dwayne Dunwald (Moosomin)

### D Event Winners

Wilmer Kolybaba, Gary Hack, Dianne Hack, Gord Brown (Melville)

**Host for 2006: Outlook Nov 15-16, 2006**

**HOST NEEDED FOR 2007// PREFERABLY FROM THE NORTH OR NORTHWEST;**

Deadline for application March 16, 2006.

## Upcoming Events

### Bowling

Esterhazy

May 3-4, 2006

Ken Johnson 745-2081

### Bridge - no tournament;

Recommend alternating

between Regina and

Saskatoon. Others may host if they so wish.

### Golf

Weyburn

June 7-8, 2006

### Fishing

(Saskatchewan: discussion being held with Moosomin)

(British Columbia

First week in September

Coho salmon

Host: Victoria Chapter

Details and cost to be printed in next Outreach.)

### Wine Soiree

Wakaw

Contact: Melvin Osolinsky

306-233-5596

Wine-Tasting and Supper will take place at the Legion in Wakaw on April 22/06 at 2:00 P.M.

### Pool

Any interest in hosting?

Swift Current?

## Stitch & Quilt Retreat 2:

Oct 3-5, 2005 Kenosee Lake

Host: Mainline Chapter Registration fee: \$70.00 per day

Monday evening: Banquet and Quilt Show 42 people in attendance;

The trunk show was a marvel! What an artistic display of wall hangings, table runners etc.! It was a real pleasure to observe and to hear and see each participant show and tell the group about their unique works of art.

Tuesday and Wednesday: Quilting began in earnest; 31 quilters enjoyed learning and fellowship.

Workshops were offered for beginners, intermediate and advanced quilters to help them discover how to piece material together in creative ways and how to select fabrics that go well together.

Possible hosts for 2006 - Watrous, Abbey, at Bruno??

## Kaiser

October 1, 2005

Host: Unity Chapter  
28 participants

High woman: Beatrice  
Vollett of Unity

High man: Jack Kraft of  
Unity

Other winners: Carol  
Corbiel, Stella Ewanchuk,  
Ruby Rafuse, Frieda  
McCallum, Louise Bohn,  
Vickie Zurburg

Host for 2006 ?

## Honorary Life Memberships

**Darlene McCullough**

**Attention : Chapter Presidents**

Nominations for Honorary Life Memberships must be submitted to the STF office by **Feb. 14, 2006**. If you have worthy candidates for these awards, ensure that the nominations are submitted well before that deadline. Please check the Policy Handbook for the correct format of the nomination. If a Chapter wishes to have a previously submitted nomination considered again this year, ensure that the office is notified of this by the Feb. 14 deadline.

## *CET Recruitment*

The Centre for Education and Training (CET), associated with Peel District School Board in Mississauga, is recruiting English instructors to work in public schools throughout South Korea.

Assignments begin from early January through March 2006.

Salary ranges from 21-27 million Korean Won approx. (\$24-31, 000 CAD)

Minimum requirement: BACHELOR'S DEGREE

Send resume and pass-port size photo to Elaine Dawe, Recruitment Co-ordinator, at edawe@tcet.com Fax: (905) 270-6479

**The Seniors' Information Hotline: 1-888-823-2211**

**Saskatchewan HealthLine: 1-877-800-0002**

# STS Bowling 2006 Entry Form

**OUTREACH**  
To The Superannuated Teachers  
of Saskatchewan

The newsletter of the Superannuated Teachers of Saskatchewan, is published five times a year.

To control costs, one copy is sent to households where both spouses are members. If this is not satisfactory, please contact the STS office in Saskatoon.
