The Superannuated Teachers of Saskatchewan

The STS is an organization of retired teachers who are dedicated to promoting the interests and welfare of all superannuated teachers and to maintaining the relationships that connect them to the community of teaching professionals.

Organizationally, the STS is committed to:

- Providing essential, affordable health and dental benefits for superannuates.
- Advocating for the welfare of its members.
- Playing an active role in educational affairs of interest to its members.
- Providing input into provincial collective bargaining when superannuation and the welfare of retired teachers are at stake.
- Engaging in the governance of the Saskatchewan Teachers' Federation through eight STS Councillors on the Council of the STF.
- Offering social events and the chance to interact with other superannuates through 42 active Chapters throughout the province and in British Columbia.

Membership in the STS can be one of the first, and best, retirement decisions you can make. Anyone receiving or having received a pension under the Saskatchewan Teachers' Superannuation Plan or the Saskatchewan Teachers' Retirement Plan may belong to the STS, including surviving spouses of teachers. Teachers retired under other provincial or federal plans who live in Saskatchewan may also belong to the STS.

Each year the STS organizes an annual general meeting which provides STS members with an opportunity to:

- Discuss the progress of the STS.
- Deal with issues of interest to members through workshops and guest speakers.
- Submit resolutions to the STF, governments and non-governmental bodies.
- Renew professional contacts with friends and former colleagues.

To keep members informed, the STS publishes *Outreach*, a newsletter produced five times per year available in print or online. The STS also participates with the STF in Planning for Retirement seminars for teachers retiring or planning to retire, as well as providing Retirement Lifestyles sessions to groups upon request.

Check us out at
www.sts.sk.ca

The STS is affiliated with the Canadian Association of Retired Teachers (ACER-CART) which promotes the interest of all retired teachers in Canada and makes submissions to the Government of Canada. Advocating for fairness in taxation of seniors is one example of this. The STS is also a founding member of the Saskatchewan Seniors Mechanism, an “organization of organizations” which co-ordinates efforts towards the well-being of all Saskatchewan seniors.

Retirement Lifestyles Session

The STS will provide a Retirement Lifestyles session for groups of teachers upon request. If you or teachers you know are making plans for retirement, you may be interested. The seminar is two to two-and-a-half hours in length and offers information on:

- **Transitioning** – managing the transition to retirement.
- **STS** – information on the STS and the STS Health and Dental Plan.
- **Retirement Planner** – a Retirement Planner will be in attendance.
- **Just in Case** – some reminders of papers to have in order.

School divisions, local associations, school staffs or groups interested in hosting a Retirement Lifestyles Session are invited to contact the STS at (306) 373-3879 or sts@sts.sk.ca.

STS Chapters

STS Chapters meet regularly to discuss issues of concern, to maintain valued contacts with former colleagues and to enjoy times of recreation and socialization. Chapter activities differ widely and may include speakers, tours, picnics, potluck meals, socials, parties and banquets. Additional activities may include provincial recreational events which are held annually such as bowling, curling, fishing, golfing, Kaiser tournaments, Mah Jongg and quilting retreats.

Many Chapters are active in the volunteer work of the community, such as UNICEF, Meals-on-Wheels, hospital visiting, community history and folklore. If you are eligible for membership, please see the Chapter list on page 13 or contact the STS office for the location of your nearest Chapter.

The annual fee to the provincial STS is \$30, which includes a subscription to *Outreach*. Each STS Chapter receives a rebate from the \$30 provincial membership fee. Superannuates who live in areas without a Chapter or who are unable to attend meetings may become non-chapter members for the fee of \$30, which also includes an annual subscription to *Outreach*.

To find out more about the many benefits of membership and the location of the STS Chapter closest to you, contact the STS office in Saskatoon. An application form for STS membership and authorization to have the fee deducted from pension cheques (\$2.50 per month) may be obtained from the STS office, 2311 Arlington Avenue, Saskatoon SK S7J 2H8 or on the website at www.sts.sk.ca.

STS Group Benefits Information

This material summarizes the important features of our group plan; it is prepared as information only and does not, in itself, constitute an agreement. The exact terms and conditions of our Group Benefits Plan are described in the Group Benefits Policy held by the STS.

General Information

Effective Date of Coverage

You are eligible to apply for benefits if you are an active member of the association of Superannuated Teachers of Saskatchewan, and you and/or your dependants, if applicable, are residents of Canada and are eligible for benefits under the provincial health-care program in your province of residence.

Late Enrolment

You would be required to submit evidence of good health if you apply for coverage more than 60 days after the date:

Suspension or Termination of Benefits

If you have group coverage with an employer, you may suspend your STS Group Benefits. You may reinstate your STS Group Benefits within 60 days of the termination of coverage of your group plan. Coverage can be suspended or reinstated for the 1st of any month, provided the STS office receives written notification before the 15th of the previous month. Notification must be from the member in writing, by mail, email or fax.

Coverage will terminate on the earlier of the date of termination of this plan, the date the member ceases to be an eligible member of the STS, or with receipt of cancellation notice.

Any change, suspension, or cancellation of coverage must be received in writing to the STS office by the 15th of the preceding month in which coverage is to change.
